12 Ways of Giving

1. Matching Gift

Many employer organizations match nonprofit donations made by both their current and retired employees. Use our Matching Gift Search Tool to find out if your employer matches donations to maximize the impact of your gift today!

2. Donor Advised Fund

A Donor Advised Fund (DAF) is a charitable investment account that allows individual account holders to donate money to charitable organizations. DAFs provide a tax-advantageous opportunity to give back! If you would like to make a donation through your existing DAF, call the Doylestown Health Foundation office at 215-345-2009.

3. Gifts of Appreciated Securities

Donating a gift of stock or mutual funds provides donors with the benefit of a charitable deduction and the reduction or avoidance of capital gains tax on the transfer to the Doylestown Health Foundation. If you wish to initiate a stock transfer, you can find all necessary information on our website.

Also, be sure to reach out to the Foundation team at 215-345-2009 or gifts@dh.org with the stock transfer information to be sure that we can properly credit you for the donation!

4. Bequest Intention

Planned giving plays an instrumental role in our health system's sustained success and continued future growth. If you choose to include the Doylestown Health Foundation in your will, trust, or other estate plans, you also have the opportunity to join our Cornerstone Society! Learn more here.

5. Multi-Year Pledge

A multi-year pledge is a commitment that allows you as a donor to make a gift over a number of years, rather than providing the entire donation in one lump sum. Multi-year pledges also provide you with the opportunity to pursue naming opportunities within the hospital. To make a pledge, click here and be sure to select "Pledge to give" at the top of the giving form.

6. Payroll Deduction

Nobody understands the value of Doylestown Health's patient-first philosophy and commitment to patient care more than Doylestown Health associates, medical staff, and volunteers. Your payroll deduction donation is an extension of your dedication to the families we serve in our community. To find out how to make a donation of PTO or a gift through payroll, call the Foundation team at 215-345-2009.

7. IRA Charitable Rollover

If you are 70 ½ and older, you have the option to make a donation to the Doylestown Health Foundation through an IRA charitable donation without having to recognize the transfer of the gift as income. Visit our website to find the information that your IRA administrator will need if you wish to make a gift.

8. Required Minimum Distribution

Alongside the option of an IRA Charitable Rollover, it is important to know that special distributions from your IRA account are tax-free and can be used towards your minimum annual distribution requirement! If you are looking to fulfill your RMD, a charitable donation to Doylestown Health Foundation is a great option. Visit our website to learn more.

9. Tribute & Memorial Giving

Making a gift in honor or in memory of someone who has touched your life, while also making an impact on the quality of healthcare in our community, is a wonderful way to give to the Doylestown Health Foundation. When making the gift, you have the opportunity to provide the name of the individual you wish to honor or memorialize, which will then allow us to notify the honoree or a family member. Visit our website to make a donation today.

10. Endowment

Creating an endowment or contributing to an existing one at the Doylestown Health Foundation provides a permanent, self-sustaining source of income to support all programs and priorities that impact individuals that we serve in the community. If you wish to learn more about how to start your own endowment, please contact a member of the Foundation team at 215-345-2009 or click here for more information.

11. Recurring Monthly Gift

A recurring monthly gift allows donors to setup automatic monthly donations for a selected period of time. This type of gift is incredibly impactful as it provides a sustaining source of funding for everyday operations at Doylestown Health. To make a recurring monthly gift, click here and be sure to select "Make this a recurring gift" when prompted.

12. Outright Donation

Outright, one-time donations can be made several different ways and provide you as the donor with flexibility in how you wish to make your gift to Doylestown Health Foundation. Your options are as follows:

By Credit Card –

Using our secure online giving form, you can make a gift immediately using a credit card. If you feel more comfortable making your donation via credit card over the phone, you can call the Foundation office at 215-345-2009 and a member of our team would be happy to assist you.

By Check –

Please make the check out to "Doylestown Health Foundation" and ensure that the memo includes any specific instructions on how you would like the donation allocated. Checks may be mailed to –

Doylestown Health Foundation
595 W State St.
Doylestown, PA 18901
