HOW INNOVATION IMPACTS PATIENT CARE

AMBASSADOR'S CIRCLE MEETING | MARCH 24, 2026

MEET THE EXPERTS

PINAK S. ACHARYA, MD, FCCP — Pulmonologist, Bucks County Medical Associates PC

Dr. Pinak Acharya is a triple-board-certified pulmonologist and critical care physician with specialized expertise in Pulmonary Nodules, Lung Cancer, Pulmonary Hypertension, Interstitial Lung Disease, Bronchiectasis, Asthma, and COPD. After completing his fellowship at the Hospital of the University of Pennsylvania—where he conducted translational research in lung biology—Dr. Acharya joined Bucks County Medical Associates and Doylestown Hospital in 2006, and has been named a Top Doc by Philadelphia Magazine since 2018.

Since joining Doylestown Hospital, Dr. Acharya has been instrumental in building and advancing several key clinical programs, including the Intensivist Program, Lung Cancer Screening Program, Incidental Lung Nodule Program, Pulmonary Embolism Response Team, and the Advanced Lung Cancer Diagnostic Team. His leadership has driven measurable improvements in lung cancer detection and treatment outcomes for the community.

Undergraduate Education
University of Michigan

Medical School
The University of Chicago Pritzker School of Medicine

Residency in Internal Medicine
Hospital of the University of Pennsylvania

Fellowship in Pulmonary and Critical Care Medicine
Hospital of the University of Pennsylvania

BRENDA A. FOLEY, MD, FACEP — Medical Director, Doylestown Hospital Emergency Department

Dr. Brenda Foley is a board-certified emergency medicine physician who has served Doylestown Health's Emergency Department since 2008 and became its Medical Director in 2021.

Dr. Foley has held multiple leadership roles at Doylestown Hospital, including serving as president of the Medical Staff from 2021 to 2023. Her work extends beyond clinical care: Dr. Foley served on Congressman Brian Fitzpatrick's Opioid Epidemic Working Group and participated in a Homeland Security roundtable on the opioid crisis. She also spent six years on the board of the Bucks County Drug and Alcohol Commission.

Dr. Foley has been recognized as a Castle Connolly Top Doctor since 2023 and was named a Top Doctor in Emergency Medicine by Philadelphia Magazine in 2024. Nominated by her peers, she received the Scott Levy, MD, Physician Trailblazer Award in 2025.

Undergraduate Education
Villanova University

Medical School
Medical College of Pennsylvania

Residency
Thomas Jefferson University Hospital

JAYNE F. KOELLHOFFER, MD, PhD — Primary Care Internist, Doylestown Health Farm Lane Internal Medicine

Dr. Jayne Koellhoffer is a board-certified internist with expertise in primary care and preventive medicine. She is dedicated to delivering comprehensive, evidence based primary care grounded in strong patient relationships. A Bucks County native, she is proud to practice medicine in her home community and play an active role in medical education.

Dr. Koellhoffer earned her undergraduate degree in Chemistry, with a minor in Bioethics. She completed her MD/PhD at the Albert Einstein College of Medicine, where her doctoral research in biochemistry focused on viral entry mechanisms of filoviruses, including ebolavirus. After completing her internal medicine residency, she joined the faculty of the Icahn School of Medicine at Mount Sinai.

In 2020, Dr. Koellhoffer joined Doylestown Health Farm Lane Internal Medicine practice. Since 2023, she has served as Associate Program Director for the Transitional Year Residency Program. Dr. Koellhoffer has been recognized as a Castle Connolly Top Doctor since 2025.

Icahn School of Medicine at Mount Sinai

RADHIKA RAGAM, MD — Urologic Oncologist, Doylestown Health Urology

Dr. Radhika Ragam is a fellowship-trained, board-certified urologic oncologist specializing in comprehensive care for both benign and malignant urologic conditions. Her expertise includes minimally invasive techniques—robotic and endoscopic—as well as management of prostate cancer, kidney cancer, Benign Prostatic Hyperplasia (BPH), and reconstructive urology.

After completing her residency in Urology at Sidney Kimmel Medical College at Thomas Jefferson University Hospital and Robotic Urologic Oncology fellowship training at the University of Southern California Keck School of Medicine, Dr. Ragam returned to the East Coast to join Doylestown Urology for her first position out of training.

Dr. Ragam is committed to providing high quality, patient centered urologic care and is proud to build her practice within the Doylestown community.

University of Southern California Keck School of Medicine

ANTHONY TRAN, MD, MB, BCh, BAO, MS — Marvin and Dee Ann Woodall Endowed Chair of Cardiothoracic Surgery

Dr. Anthony Tran is a fellowship-trained, board-certified fellowship-trained cardiothoracic surgeon and the appointed Marvin and Dee Ann Woodall Endowed Chair of Cardiothoracic Surgery at Doylestown Hospital. He is trained in the full spectrum of adult cardiothoracic surgery with advanced expertise in minimally invasive cardiac surgery and complex mitral and aortic valve repair and reconstruction. Dr. Tran is committed to delivering uncompromising, patient focused care.

Dr. Tran completed fellowship training at Baylor Scott & White Health The Heart Hospital in Plano, a nationally ranked program. His extensive surgical expertise includes traditional open cardiac surgery, advanced minimally invasive procedures (HeartPort/ mini thoracotomy, robotic assisted, and partial sternotomy), and structural heart interventions such as TAVR. After joining Doylestown Hospital in 2022, Dr. Tran initiated a mitral valve surgery program and developed the cardiothoracic surgery minimally invasive robotic and heart port programs utilizing the Intuitive Robotic System for lung surgery, Minimally Invasive Direct Coronary Artery Bypass (MIDCAB), and cardiac surgery.

Dr. Tran's clinical interests include complex valve repair, reconstruction, and minimally invasive cardiac surgery. His research appears in multiple peer reviewed journals, including *Perfusion*, *Circulation*, *Annals of Thoracic Surgery*, *Journal of Cardiothoracic Disease*, and *Current Challenges in Thoracic Surgery*. He is the recipient of numerous fellowship awards from the American Association for Thoracic Surgery and has presented at national conferences.
